

Welcome to the Paediatric HIV day 2026

Friday, 25 September, Hilton Slussen, Stockholm

Barnhivcentrum at Astrid Lindgren Children's Hospital warmly welcomes partners and colleagues from across the Nordic countries to this year's networking and educational event.

The purpose of the day is to deepen knowledge, share experiences, and strengthen professional collaboration regarding children and adolescents living with HIV.

The conference is intended for physicians, nurses, social workers/counsellors, as well as representatives from interest organizations and public authorities working in the field.

Non-clinical participants are welcome to attend the programme until 2:45 PM.

Practical Information:

The event is free of charge. The programme will be held partly in English and partly in Swedish. For participants attending in person, morning coffee, lunch, and afternoon refreshments are included. When registering, please state any allergies or dietary restrictions.
